As before...the person on the left hand side is first on the list. The other helper should be the first person you try and swap with. I have run the rota alongside the Sparkler's one as I am aware the a few of us are on both now. It has been more difficult to do this this time, hence the slightly random sequence of the rota...hopefully I have made it as fair as possible though (complaints on a postcard!!) Please phone me if you can't do your week or you are having problems getting a swap as it is important that someone is there to cover crèche even if there are no kids.

We have also agreed to help out the Sparkers group as per my last email –this means that they may contact you to ask you to do something specific, but it will more than likely just mean turning up and doing as you are told. It is therefore imperative that you ensure that your week is covered – ie if you cant make it for any reason, please arrange a swap or phone/email me.

Creche Notes

1. Please look out for any new mums/tots coming into church and introduce yourself as the person who is on the crèche that day.
2. If there are a number of children in the crèche please ask a mum to stay in crèche with you. Child protection procedures mean that we must have a high ratio of adults to children.
3. Please don't give the children any snacks/juice they have not arrived with in case of allergies.
4. This rota and phone numbers can be found at www.dunsparishchurch.org.uk

If there are any problems or you need to swap...the numbers are as follows

Ann Lindsay 07970 503383
Lynn Gray 883580

Morag Brack 07964 497275
Sarah Watson 883500
