

Bible Reading Rota

- If you can't do the reading on your Sunday please swap with someone else and then let me know.
- I'll phone/email you with the reading(s) a couple of days before the Sunday.
- The reading will normally be done from the lectern and there will be an NIV bible there. It is up to you to find the page etc beforehand.
- At the beginning of the reading explain where it is from including the page number in the pew bible and give folks some time to find it.
- At the end of the reading we usually end by saying "Amen" or "Amen and may God bless to us this reading of his word."
