Creche notes

- When there are only one or two children in the crèche, it might sometimes be more convenient if mums or those on duty took the children into the service for the first half and then began crèche at the same time as Sunday Club - it's up to yourselves – please feel free to discuss this with the mums who arrive.
- Please set out the crèche before church starts.
- Please look out for any new mum/tots arriving and introduce yourself as the person who is on the crèche that day.
- If there are a number of children in the crèche please ask a mum to stay in crèche with you. Child protection procedures mean we must have a high ratio of adults to babies and toddlers.
- As from after the hall renovations we hope to have a speaker in the crèche room so you can hear the service. (Currently, there are cds of the services available to borrow at the bookstall.)
- Please don't give children any snacks/juice they have not arrived with in case of allergies.
- This rota and phone numbers but not e-mail addresses can be found at www.dunsparrishchurch.org.uk
